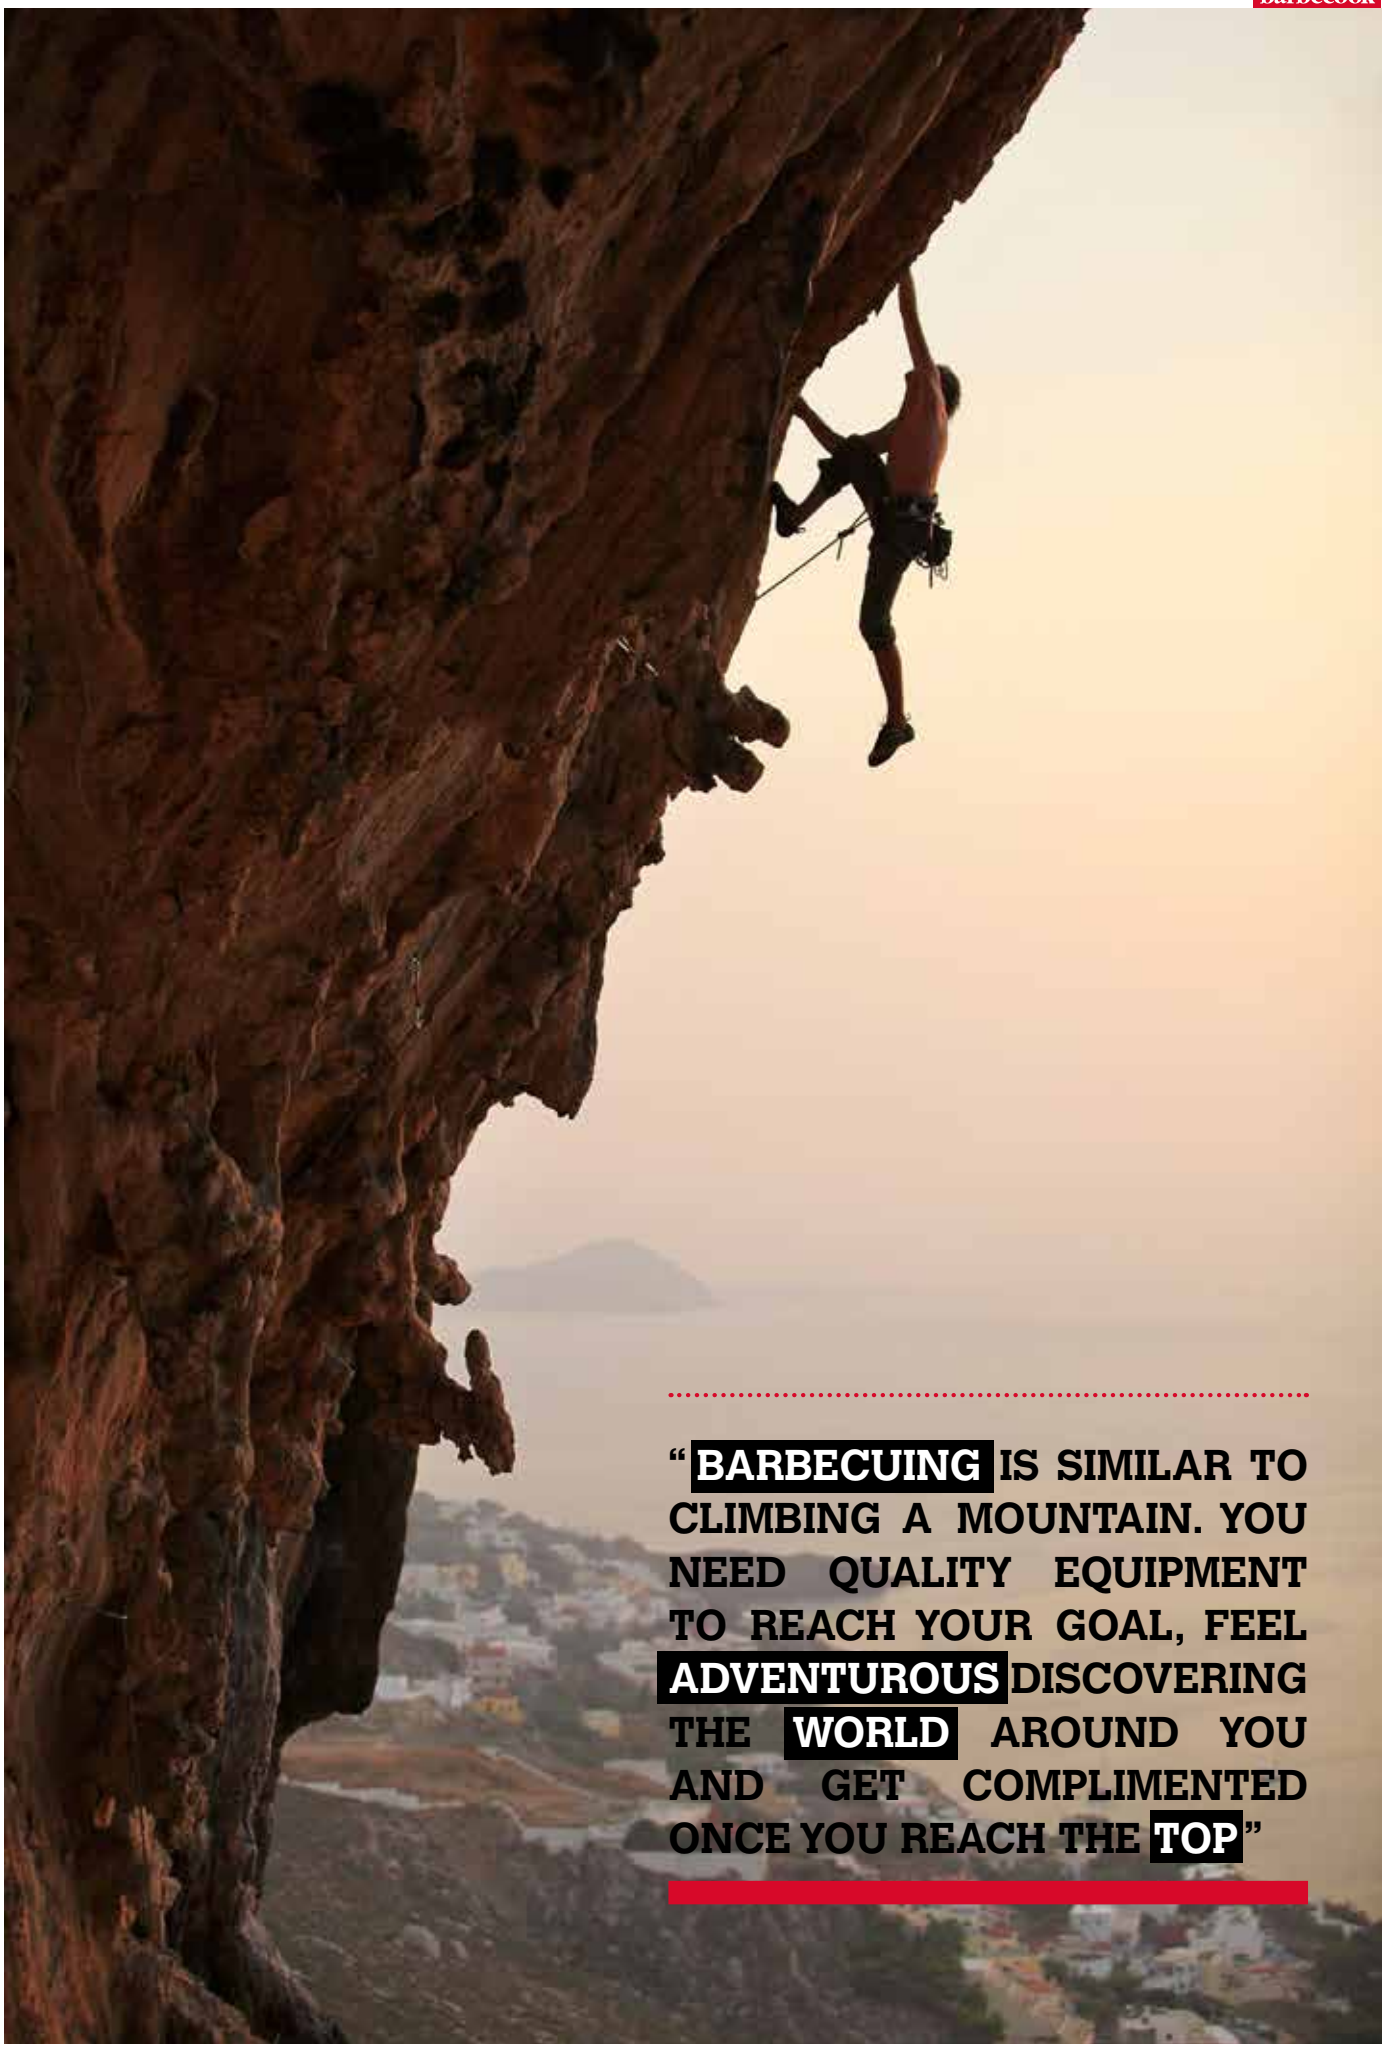
At Barbecook quality and sustainability are no empty words. Year after year our products are rewarded with objective tests. In 2014 the Major Black Go even turned out to be the winner in a product test by the famous German consumer magazine *Stiftung Warentest*. The best charcoal grill - and boy are we proud of that title!



"**BARBECUING** IS SIMILAR TO CLIMBING A MOUNTAIN. YOU NEED QUALITY EQUIPMENT TO REACH YOUR GOAL, FEEL **ADVENTUROUS** DISCOVERING THE **WORLD** AROUND YOU AND GET COMPLIMENTED ONCE YOU REACH THE **TOP**"

CHARCOAL

CHARCOAL GRILL

A fire that commands respect

Handy warming rack
Intense or gentle grilling with height-adjustable grid
Handle for accessories and to move the grill

Do you want to be lord and master of your fire, your grill? Do you want to be sure of perfectly grilled dishes? With Barbecook charcoals grills you know what you take on and what to expect:

- **Genuine, tasty grilled meat with the variable air supply and height-adjustable grid**
- **Well thought-out operation with the QuickStart® lighting system, among others**
- **QuickStop® for quick and easy cleaning**

QuickStart®? How to light the perfect fire!

Roll three newspaper sheets into torches

Stuff them into the Barbecook chimney

Place a little charcoal on the grid

Light the newspaper sheets at the bottom of the chimney

The ultimate in safety thanks to QuickStop®

Fill the charcoal grill's base with water for increased stability

Does the grill still tip over? The water will extinguish the smouldering charcoal

After grilling, extinguish the remaining ashes in the water-filled base.

CHARCOAL GRILL
BLACK RANGE & GO RANGE

Grill wherever you like

Sturdy wheels and a robust trolley. You do not need more to turn the Barbecook charcoal grill into the Barbecook Go.The Go range ensures maximum mobility before, during and after grilling.

- **For your safety the handle to move the Go is mounted on the back of the bowl: allowing you to always move it with the fire facing away from you**
- **During grilling, the accessory handle represents the ideal support for your grilling tools**

NINHO

Vamos a la plancha!

Plancha means southern cooking in the north. Outdoor cooking on an enamelled cast-iron baking plate over gas burners. How does the Barbecook plancha make the difference?

- **Only at Barbecook: Plancha with stopper to seal baking plate**
- **Twist & Burn piezo lighting ensures safe start**
- **With removable hood to neatly store or use as a splatter guard**

Extra flavour? Add the stopper!

Insert the stopper into the opening in the baking plate during grilling

The aroma of broth, sauce or wine is retained during cooking

After barbecuing pour the cooking juices or sauce into the drip cup and serve

9 Barbecook initiatives that lead to your store display

Register your Barbecook and keep informed

In search of manuals or spare parts? Register your Barbecook online, and you will always know the reference number, which can be easily traced

www.barbecook.com/registration

Golden Grill Voucher

With the voucher in the packaging consumers can register their Barbecook online, for a chance at an unforgettable Barbecook adventure. In 2015 your Barbecook will give you double the pleasure.

Product placement with top chefs

Quite a few top chefs also opt for a Barbecook to experiment during the barbecue season. On the beach, terrace or in the countryside during a cooking programme? A Barbecook sets tongues wagging. Also in your store!

Join forces with other brands

Through bundled promotions with strong partners, Barbecook strengthens its position outside the familiar sales channels. This will result in a new target group coming into contact with Barbecook and your store.

SERVICE

Direct helpline, online and offline

Punctual delivery, fast processing

Do you know how many Barbecook pallets we can store in our 45,000-m² warehouse? No fewer than 15,000! In other words, even in peak season we guarantee punctual deliveries. Fast and efficient with EDI and EAN scanning.

How can we help you?

If you cannot find what you are looking for online, there is always someone to help you offline. Call, e-mail or fax an enthusiastic Barbecook team and they will respond during office hours, even for current orders or technical problems.
